

# BOUSSAID MERIEM

3RD YEAR STUDENT AT ESI | FRONTEND DEVELOPER | JUNIOR BACKEND DEVELOPER | UI/UX DESIGN ENTHUSIAST

Alger, Algérie | mm\_boussaid@esi.dz | +213 540 52 81 01

## RESUME

Hello! I'm a 3rd year Computer Science student at ESI, passionate about technology, design, and creating real-world projects.

I specialize in Frontend Development, with growing skills in Backend Development and UI/UX Design.

I love building intuitive, user-friendly web experiences and I'm always eager to learn and improve.

## TECHNICAL SKILLS

- **Frontend** : Développement d'interfaces responsives avec HTML, CSS et JavaScript ; création d'applications interactives avec React et Vite, Angular ; intégration d'APIs REST.
- **Backend** : Conception d'APIs simples avec Node.js et Express ; gestion de routes et communication client-serveur.
- **Design** : Conception d'interfaces utilisateurs fonctionnelles sur Figma ; initiation à l'UX/UI design et création de maquettes interactives.
- **Autres outils** : Gestion de versions avec Git et GitHub ; collaboration en équipe et suivi de projet.

## EXPÉRIENCE PROFESSIONNELLE

### Blood Donation Management System (2024)

- Designed and developed a web application for managing blood donations. Implemented user registration, donation requests, and an administrative dashboard for request validation and donor tracking.
- Technologies: HTML, CSS, PHP

### Gestion-DPI — Digital Medical Records Platform (2024)

- Developed a fullstack web application for the management of digital patient records. Implemented features including patient record creation and updates by doctors, care reporting by nurses, and laboratory results visualization through interactive charts.
- Technologies: Angular, Django.

### Digitalia Company Website (2025)

- Created a static corporate website to present Digitalia, a virtual company project. Focused on responsive design, clean user interface, and information architecture.
- Technologies: Vite, React.

## EDUCATION

### Ecole Supérieure d'Informatique (ESI) — Algiers, Algeria

Bachelor's in Computer Science

2024 – Present

### University of Chlef — Chlef, Algeria

Bachelor's in Computer Science

2022 – 2024

## ADDITIONAL INFORMATION

- **Langues** : Arabe (natif), Français (courant), Anglais (courant)
- **Teamwork & Collaboration**: Experienced in working in diverse teams and contributing to group projects.
- **Problem-Solving**: Ability to analyze challenges and come up with innovative, efficient solutions.
- **Adaptability**: Quick to learn new technologies and adjust to fast-paced environments.
